Yolo County Fire Sustainability Funding Proposal, Proposition 218 Matching Funds:

Chairman Pruner called the Board's attention to the fact that the Yolo County Board of Supervisors will be addressing the topic of additional funding for Yolo County Fire Districts, up to 1.5 million dollars, at their meeting tomorrow. There was an extended discussion based on the provisions of the current proposal titled, Contingency Funding Guidelines for Fire District Sustainability. Commissioners expressed particular concern over the provision of the current proposal that distributes funds on a matching basis only for "new" Proposition 218 assessments, placing additional assessments or taxes on our citizens, and the lack of clarity in this plan regarding the distribution of funds.

With no further business before the Board, it was moved by Commissioner Webber and seconded by Commissioner Pylman to adjourn the meeting. The motion passed unanimously by a roll call vote. The meeting was adjourned at 6:19 p.m.

Respectfully submitted,

Richard Bagby
Secretary to the Commission
